Lisa Seto Nielsen is an Assistant Professor at the School of Nursing, York University. She completed her doctorate at the Lawrence S. Bloomberg Faculty of Nursing, University of Toronto. Her doctoral dissertation explored the palliative home care experiences of Chinese immigrants with advanced cancer in the Greater Toronto Area. Dr. Seto Nielsen's research interests integrate the areas of palliative care, home care, death and dying, and immigrant health. Her approach to research is informed by critical social theory, such as postcolonialism, and critical qualitative methodologies.
