

Are you a youth (aged 17 to 25 years) with a developmental disability?

or

Are you a caregiver to a family member (aged 17 to 25 years) with a developmental disability?

Then you are invited to participate in a study about understanding **access and use of digital technology in young adults with developmental disabilities (YADD)**

What will be involved:

- You will be asked to share your thoughts and experiences regarding access and inclusion for YADD to digital literacy, through an interview
- In appreciation of your participation, you will be offered \$30 honorarium
