

RECRUITMENT FOR A STUDY

Are you a Black Mother of a Child/Young Adult with Developmental Disability?

Would you like to participate in a study on equity-based health promotion for racialized black mothers of children with developmental disabilities?

If yes, we would like you to participate in a 1-hour interview.

As a mother you will have an opportunity to discuss:

1. Your experiences of racism as racialized mothers of children, youth, and emerging adults with developmental disabilities.
2. Types of health promotion strategies that you find inclusive, and have a positive impact on your health.
3. And receive a \$ 30.00 dollars honorarium.

For further details about the study, please contact:

Luz Maria Vazquez
