We Want to Hear from You!

Who?
Persons between 16 and 29 years of age with a developmental disability.

What is this study about?
We would like to know about experiences of nursing care you have received recently or in the past.

What does your participation mean?
You will answer questions on nursing care.
You can respond to the questions with the help of a parent or caregiver.
You will receive a $50 cash gift for participating.

To participate in the study please email Attia Khan at: attiakh@yorku.ca

This research has been approved by York University’s Ethics Review Board.
